PROFESSIONAL EXPERIENCE

AdvaDigital — Full Stack Engineer **Aug 2026 – Present**
Full-time · US-based company *Remote — Florida, USA*

- Building the company's product end-to-end across **web and mobile (iOS & Android)**, working across the full stack from APIs to polished, responsive interfaces.
- Turn product requirements into reusable components and well-structured APIs, shipping in short iterative releases with a distributed US–India team (async communication, pull requests, code reviews).

Bridging Technologies **Jul 2025 – Aug 2026**
Promoted from Frontend Developer Intern to Associate Developer *Mohali, India*

Associate Developer **Jan 2026 – Aug 2026**

- **Slow first load on a finance web app:** introduced lazy-loaded modules and code splitting, improving page load performance by **35%**.
- Built a fully responsive Angular UI for a finance product used by **10,000+ users**, giving a consistent experience across desktop, tablet and mobile.
- Developed complex **Angular Reactive Forms** with custom validation to handle data-heavy financial workflows accurately.

Frontend Developer Intern **Jul 2025 – Jan 2026**

- **Repeated UI work slowing every feature:** built a library of reusable UI components that reduced development time by **20%**.
- Worked in an Agile team with weekly sprints and peer code reviews using Angular, TypeScript and Bootstrap.

Phenom IT — Full Stack Developer Intern (MERN) **Jul 2024 – Oct 2024**
Internship *Hisar, India*

- Developed full-stack web applications with **MongoDB, Express.js, React.js and Node.js**, from design to deployment.
- Built secure **RESTful APIs** with Express.js and **JWT authentication**, and integrated them with React frontends.

PROJECTS (LIVE, FREELANCE)

Apna Bhattu Kalan — Hyperlocal Community Platform **apnabhattu.techtattava.in**

- **Problem:** villagers had no single, trusted place to find local shops, services, jobs and notices. Built a **bilingual (English/Hindi)** React platform with a business directory, search, jobs, buy & sell listings, a live news ticker, notices and events.

TechTattava — Company Website **techtattava.in**

- Responsive React website for a software, AI & cloud consultancy: multi-level navigation, service/industry pages, lead capture.

Amit Kumar — Geospatial Portfolio **amitktala.com**

- Responsive portfolio for a GIS & remote-sensing professional: projects, skills, certifications, gallery and contact.
